

<b>Vacancy Information</b>	<b>Job Title: CHP - Consultant</b>
<b>Business Unit:</b> AEA Mediu Consulting SRL	<b>Job Location:</b> Bucharest office

**Role purpose:**

AEA Technology plc is a leading international consultancy delivering outstanding technical advice, policy support and project/programme management services. With unrivalled sector insight and a reputation for producing innovative solutions from development through to implementation, we offer a stimulating and rewarding environment in which to work.

AEA Mediu Consulting SRL is the Romanian subsidiary of UK based AEA Technology PLC ([www.aeat.com](http://www.aeat.com)), acting in the field of consultancy for environment and energy. We're experiencing an exciting period of growth, which means, for you, there couldn't be a more proper time to join us and make your mark.

We are looking for a CHP Consultant that will provide support to meet an increasing demand from Government and Industry in the UK and worldwide for expertise in assessing CHP and Community Heating Schemes in terms of their technical and economic performance and assessing the policy opportunities for encouraging the uptake of CHP and Community Heating.

**Successful candidates will demonstrate the following skills:**

- Excellent organizational abilities
- Good problem solving skills
- The ability to communicate and network effectively both internally and externally
- Strong influencing skills
- The ability to work to commercial imperatives
- **Very good English language skills are a must**

**The Person will have to have:**

- The technical knowledge to conduct CHP/community heating feasibility studies
- An understanding of EU and government policies relating to CHP
- Experience of working in a consultancy or an evaluation team at a utilities company
- Have an understanding of industrial CHP, in particular steam systems and/or domestic community heating schemes
- Have knowledge of the market and regulatory framework for CHP
- In addition, you will demonstrate good attention to detail, technical report writing ability, be able to assimilate information quickly

In return for your commitment, drive and enthusiasm, we offer an extremely attractive remuneration and benefits package, a personal development plan, and the opportunity to make a difference in a challenging and rewarding field.

The AEA group strives to be an equal opportunities employer.

**Applications - Please apply by sending your letter of intention and CV in English language to [aeamediu@aeat.co.uk](mailto:aeamediu@aeat.co.uk) or by fax at 021 315 14 78, no later than 1 September 2008.**
