

<b>Vacancy Information</b>	<b>Job Title: Senior Waste Management Consultant</b>
<b>Business Unit:</b> AEA Mediu Consulting SRL	<b>Job Location:</b> Bucharest office

**Role purpose:**

AEA Technology plc is a leading international consultancy delivering outstanding technical advice, policy support and project/programme management services. With unrivalled sector insight and a reputation for producing innovative solutions from development through to implementation, we offer a stimulating and rewarding environment in which to work.

AEA Mediu Consulting SRL is the Romanian subsidiary of UK based AEA Technology PLC (www.aeat.com), acting in the field of consultancy for environment and energy. We're experiencing an exciting period of growth, which means, for you, there couldn't be a more proper time to join us and make your mark.

We are looking for Senior Waste Consultants to expand our Resource Efficiency business, enhancing the quality of our delivery for clients in both the public and private sector, in the UK, Romania and across the world. You will provide a technical lead on projects, delivering excellence through your considerable experience. You will provide a leading contribution to business development opportunities driving growth within this area and across the broader resource efficiency arena.

**Successful candidates will demonstrate the following skills:**

- Interpret customer needs
- Identify business opportunities
- Excellent organisational abilities
- Good problem solving skills
- Capability to make decisions
- Good leadership skills
- The ability to communicate, influence and network effectively both internally and externally
- The ability to work to commercial imperatives
- IT literacy (Word, Excel, Outlook etc)
- **Good knowledge to English language is a must.**

**The Person will have to have:**

Demonstrable experience and an excellent understanding of the following:

- Waste treatment processes, performance, costs and suitability
- Treatment technology option appraisal, using environmental and cost models
- Waste management strategy, feasibility and service procurement using a range of finance mechanisms e.g. PFI/PPP
- Broad understanding of best practice in waste and resource management
- Considerable experience of working in resource efficiency within the public and private sector
- A relevant graduate degree and a waste management professional qualification
- All candidates will respond positively to change and drive change within an organisation

In return for your commitment, drive and enthusiasm, we offer an extremely attractive remuneration and benefits package, a personal development plan, and the opportunity to make a difference in a challenging and rewarding field.

The AEA group strives to be an equal opportunities employer.

**Applications - Please apply by sending your letter of intention and CV in English language to [aeamediu@aeat.co.uk](mailto:aeamediu@aeat.co.uk) or by fax at 021 315 14 78, no later than 1 September 2008.**
